PORCH THIEVES

MRS. A. M. BEAMON LOSES RUG AND ISSUES WARNING TO HOUSEHOLDERS

Mrs. A. M. Beamon of 203 North Maryland reports the theft of a rug from her porch either Monday night or Tuesday morning. The loss was discovered Tuesday at 10 o'clock in the forenoon. The rug measured about 6x9 feet and on it stood a cement and iron ornamental urn filled with ferns. This had of course been moved and there were indications that the robbers proposed to take this also but were deterred by its weight. Mrs. Beamon is quite discouraged as she had planned some very attractive new furnishings for this porch but does not feel like putting the plans into effect now when possession is so uncertain. She tells the story that others may be warned to watch their effects.

PERSISTENT ATTEMPTS TO BUY NEW HOUSE

Guy Pixley of 116 West Lomita avenue has recently had an unusual experience. He has been building a 4-room house on a lot 50x85 for his prospective bride whom he is to wed very shortly. The house is a little gem in its way and has been considerably admired, especially since its near completion and Guy has been besieged with offers to buy it, coming from people wanting to live in Glendale. He has been offered $3000 for the place. As late as last evening a man and his wife living in a rented house because determined to be in Glendale, pleaded to be allowed to buy the new house. But Guy has resisted all such pleas and the new home is now furnished to receive the coming bride.

PACIFIC AVENUE CROSSING DANGEROUS

There is an agitation in the northern part of the city for some protection to people crossing the P. E. Burbank line at Pacific avenue, where Mr. Yard had so narrow an escape from death last Saturday. The crossing is just north of the bridge, over the Wash, and there is so much travel that way owing to the closed condition of the Brand and Central avenue bridges that the danger of serious, possibly fatal accidents, is greatly increased. Mr. Yard says there was an accident at that crossing just a few days before his, but with slight resultant damage, and that Mrs. C. H. Toll's car narrowly escaped being hit, so it seems that some kind of a signaling device or a flagman is needed. The city has no jurisdiction at this crossing, as it is outside the limits, but the matter has been taken up with the county authorities.

ELKS' COMMITTEES

EXALTED RULER FANSET ANNOUNCES PERSONNEL OF ALL COMMITTEES

Following is a complete list of committee appointments made by Exalted Ruler John H. Fanset of Elks' Lodge 1289 for the ensuing year. In each case the member first named is the chairman:

House
John Roman.
Roy N. Clayton.
Walter Butterly.

Entertainment
Jack Hearnshaw.
Dr. Fay Stone.
R. D. Angelica.
E. O. Kiefer.
Harry Whaley.

Relief
Stanley S. Frentz.
A. F. Priest.
Arthur Dibbern.
James Apffel.
John H. Fanset.

Visiting
C. E. McPeek.
Geo. Paine.
Wm. A. Meredith.
W. E. Werden, Eagle Rock.
C. J. Pierrung, Burbank.
C. D. Thom.

Funeral
Geo. Paine.
W. A. Meredith.
W. E. Werden, Eagle Rock.
C. E. Kent.
C. D. Thom.

(Continued on Page 6)

Miss Edith Lindsay, the popular little dancer who has a large class in Glendale, was the artist who appeared at the Hollywood Community Sing Tuesday evening. Miss Lindsay is to appear at the Hoover Art Studio on the evening of the 27th **for the benefit of the Lillian Burkhart Goldsmith Memorial fund.**

RETURNED TO JAIL

PRELIMINARY OF CARDILLO, SLAYER OF CARUSO, POSTPONED FOR CAUSE

The preliminary examination of Francisco Cardillo, slayer of Antonio Caruso, a few days previously, on the Ross ranch, was set for yesterday, 10 a. m., but it was not held owing to a peculiar combination of events, the animus behind which was strongly condemned by Judge Lowe. For some time there has been a bitter feud between Sheriff Cline and the district attorney's office on account of proceedings brought against the sheriff to curb his profits, and the latter has done many things since the suit was brought, to annoy the district attorney. When Chief Lampert went to the county jail yesterday morning to get Cardillo, the jailer informed him that the prisoner had been taken to the county hospital a raving maniac. As Judge Lowe had not been notified of such action, as was his due, he was naturally quite indignant when Chief Lampert returned and so reported, especially as all the witnesses were on hand, the coroner's deputy, the autopsy surgeon and a deputy from the district attorney's office, who said neither he nor his chief had had any intimation of the sheriff's action, which was unwarranted without an order from the district attorney. So Judge Lowe at once called up the county hospital and was told that Cardillo's condition was absolutely normal except that he would not talk and this was explained by the fact that he had been strictly enjoined by his attorney to say nothing to anybody. The sheriff's office was then interrogated by Judge Lowe and a sort of apology brought out, with the promise that the prisoner would be sent out immediately. This was not done until afternoon, however, when he appeared in charge of Deputy Sheriff Lips. Judge Lowe had no recourse then but to postpone the preliminary till next Monday. He strongly condemns the needless expense to the taxpayers which this action of the sheriff's office entailed.

Cardillo's appearance was greatly altered, Judge Lowe said, he appearing at last to realize the seriousness of his crime and he seemed on the verge of a physical collapse, but there seemed to be no change in his mental condition.

E. D. YARD ABLE TO BE UP

E. D. Yard, who was considerably injured last Saturday when his auto was struck by a Burbank car, dragged 40 feet and then rolled over, was able to be up and dressed this morning, though still suffering some pain whenever he moves. His back is quite sore from bruises and he is unable to straighten up, but he expects to be at work again in a few days.

ELECTED MODERATOR

PASTOR OF GLENDALE PRESBYTERIAN CHURCH HONORED

Rev. Walter E. Edmonds, pastor of the Glendale Presbyterian Church, was elected Moderator of Los Angeles Presbytery last evening at the first session of Presbytery held in Knox Church. This is the greatest honor that Presbytery can confer upon any of its members. Los Angeles Presbytery is the largest in the country, having one hundred churches and nearly two hundred ministers. The sessions opened last evening at Knox Church, Los Angeles, and will close on Thursday evening. The Glendale church is represented by Rev. A. W. McGlothlan, Rev. Theo. Hopping, W. J. Clendenin, H. L. Finlay and Rev. W. E. Edmonds, the pastor.

REFRESHMENTS FOR STREET DANCE

According to Miss Eva Daniels, who is serving on the committee of arrangements, up to 11 a. m. today, twenty-one cakes to be served in connection with the refreshments provided for the street dance tonight that is being given to honor the men of the Eleventh Cavalry, U. S. A., now guests of the city and encamped on West Broadway, had been donated by Glendale housewives. The number of cakes will doubtless be materially increased before night. The refreshments will be served under the auspices of the Red Cross at booths to be erected by the Glendale Post of the American Legion.

PAUL DE MOTT SHOT BY GERMANS

STATE DEPARTMENT TO THOROUGHLY INVESTIGATE CIRCUMSTANCES OF HIS DEATH

(Special Service to Glendale Evening News)

WASHINGTON, April 14.—A very searching investigation will be made by the United States into the German explanation that Paul De Mott, an American, was shot while trying to escape from prison, it was learned at the State Department today.

De Mott was accused by the Germans of participating in radical activities and was sentenced to death. In response to a request from the American representative in Berlin, the German government agreed to delay execution. Meanwhile, De Mott was shot and killed, the department was advised, while trying to escape from Wesel prison.

SONORA AS REBEL STATE

GENERAL DIEGUEZ CALLED TO MEXICO CITY FOR CONFERENCE REGARDING FEDERAL CAMPAIGN

(Special Service to Glendale Evening News)

MEXICO CITY, April 14.—Members of the Sonora legislature and others participating in the alleged secession movement in that state, will be regarded as rebels and immediate action taken accordingly, it was learned officially today.

General Dieguez, commanding the federal troops which were prepared to enter Sonora when that state first protested such action, has been called to Mexico City for a conference regarding plans for a campaign against Sonora forces.

RAILROAD STRIKE SITUATION

WORST TIE-UP IN NEW YORK; PASSENGER SERVICE IS INTERRUPTED HERE

(Special Service to Glendale Evening News)

LOS ANGELES, April 14.—Gradual improvement in the strike situation was reported from practically all sections of the country today. The worst tie-up continued in the New York districts where only a small number of workers had returned to work although passenger service on all lines had been improved by the use of volunteer crews and yard workers.

In the west the strike was reported subsiding as the men gradually returned to their jobs. Chicago dispatches said that federal agents predicted the arrest of the radicals there responsible for starting the walk-out which became nation-wide.

A committee of Cleveland striking switchmen's association is expected to go to Washington shortly to confer with the new Railroad Labor Board.

President Wilson met today with his cabinet and the railroad strike situation was discussed. The Interstate Commerce Committee of the Senate was to meet and hasten the confirmation of the nine members of the railway labor board appointed by the president.

Attorney General Palmer was urging agents in his department to prevent further activities of radical strike leaders in their districts.

Passenger service was interrupted in Southern California and Arizona when San Francisco trainmen left five east-bound passenger trains at Needles and three west-bound atWinslow, Arizona.

IRISH SITUATION CRITICAL

BIG DEMONSTRATION OF WORKERS BEFORE MOUNT JOY PRISON WHERE SINN FEINERS ARE CONFINED

DUBLIN, April 14.—The first casualty since the general strike was called yesterday occurred today when Harry Kells was shot and killed while walking in the street.

Labor executives today ordered the continuation of the general strike called in protest against the alleged British mistreatment of Sinn Fein prisoners. All workers in Ulster except Unionists had joined the strike, the laborites claimed. Londonderry was tied up, they said. More than 50,000 workers were out in Dublin and 300,000 throughout Ireland, labor leaders claimed.

The strikers staged a huge demonstration in front of the Mount Joy prison where the Sinn Fein hunger strikers are confined, yesterday afternoon. Troops with bared bayonets guarded the prison. As part of the demonstration twenty thousand persons bared their heads in prayer for the imprisoned Sinn Feiners. Martin McCoy, one of the prisoners was released at the expiration of his sentence. He was too weak to walk and was rushed to a hospital.

GOV. LOWDEN CARRIES HIS OWN STATE

PLURALITY OVER WOOD ABOUT 70,000; HIRAM JOHNSON RECEIVES 40,000 VOTES

CHICAGO, April 14.—Practically complete returns from yesterday's preferential presidential primaries in Illinois early today showed that Governor Frank O. Lowden was leading General Wood by 66,631 votes as the republican choice for president. Returns to come from 383 down-state precincts are expected to run the governor's plurality to 75,000 or more.

Approximately 40,000 votes were cast for Senator Hiram Johnson whose name was not on the ballot.

The democratic situation was muddled with no names printed on the ballot and all democratic eligibles written in. Tabulated results failed to indicate a favorite.

"ABRAHAM LINCOLN"

TUESDAY CLUB ENJOYS READING OF GREAT PLAY BY JOHN DRINKWATER

An unusual program and one warmly appreciated by many of the members of the Tuesday Afternoon Club was presented yesterday when Mrs. Dobinson, of the Dobinson School of Expression, read in substance the great play, "Abraham Lincoln," by John Drinkwater, an English playwright, which has been playing to crowded houses for a year in critical Great Britain and which is more talked about than any drama that has been on the boards since Shakespeare's time. Of it Mrs. Dobinson said after referring to the many years in which she has been upon the platform as a dramatic reader:

"This is the first play I have ever approached in public with such a prayerful, unusual desire to do my very best, to try to do justice to the author and, above all, to his subject. I doubt if any play has ever been so talked and written about though it is a little wearying to know that it was left to an Englishman to write the great American play."

Mrs Dobinson then introduced a pupil, Miss Mary Alcore, a very charming young girl, to whom she said this presentation to an audience would be a debut, and Miss Alcore read the introduction to the play by Arnold Bennett. Its presentation at Hammersmith and immediate success were described giving the audience an opportunity to see the work through the eyes of a competent dramatic critic.

No small part of the pleasure of the reading which followed was due to the musical interludes between acts and scenes furnished by Mrs. H. Russell Boyer, whose themes exactly harmonized with the action of the play or where a theme was not available she improvised with even finer effect. Her performance was ex-

(Continued on Page 4)

LABOR AS RELATED TO BOLSHEVISM

Rev. J. S. O'Neill, pastor of the Holy Family Catholic church, attended the lecture by Peter W. Collins, at the Knights of Columbus auditorium in Los Angeles last Sunday. The subject was of general interest as it concerned Labor as related to Bolshevism, I. W. W.ism and Socialism. Mr. Collins is associated with the American Federation of Labor and kindred organizations, and was employed by the government as Industrial Expert in speeding up production during the war. The lecturer was greeted by a crowded house and frequent applause showed the audience to be in sympathy with his views. One of the points brought out by the speaker was that the Industrial Workers of the World is not a bona fide labor organization, having no connection whatever with the American Federation of Labor, being in fact merely a Socialist organization promoted by Eugene V. Debs, Hayward, DeLeon, Simmons and other leading American Socialists for the purpose of destroying the efficiency of the Trade Unions, and making ineffective their progress.

REMARKABLE BALL GAME, SCORE 0 TO 0

Glendale's baseball team, strengthened by the reinstatement of the members who renewed their pledges to abide by the rules of the High School, played a wonderful game yesterday afternoon against the South Pasadena team. Twelve innings were played and not a run was made on either side. Fred Jenkins pitched for the Glendale team.

MORE RAIN DUE

The seasonal average of April rainfall for Los Angeles is .91 of an inch and for May .41. Glendale's average is a third more than that of Los Angeles, so we should have 1.20 in April and .53 in May. Should the average be maintained this year we are due for nearly an inch and a half more as we have had only .15 of an inch so far in April.

WATTS TO HAVE MAYORESS?

The little city of Watts followed Glendale's example of electing a woman as one of the trustees, Monday, Mrs. Kate Prentice, and she received a very large vote, defeating a minister who campaigned most vehemently till the closing of the polls. Now Mrs. Prentice is being urged as president of the board of trustees, which position there, as in Glendale, carries with it the title of Mayor. The city clerk of Watts is a woman, also.

TROOPERS INVADE US

DETACHMENT FROM 11TH CAVALRY PAYS GLENDALE A VISIT

Glendale was invaded yesterday by a detachment of cavalry from the 11th regiment and the precision with which every movement was marked was a lesson in efficiency to all observers. First on the scene early in the morning were Capt. Blunt and two aides who made preparations for the stop in the city and selected a camping ground. Next appeared the commanding officer, Capt. Hartwell and aides who at once established cordial relations with a number of leading citizens and received assurances of a cordial welcome. Then, about 10:30, wagons bearing the commissary outfit, cook tents, etc., came in and proceeded at once to the camp ground, Harvard, between Orange and Central avenues, where the tents were put up and preparations begun for the noon meal. Promptly at 1 o'clock the 150 troopers and their officers appeared, traversing Broadway to Brand, then south to Harvard and west to the camp ground where, after dismounting, the horses were first staked out and fed and then the men satisfied their appetites. At about 2:30 eleven wagons piled high with camp equipage and each drawn by four mules appeared and proceeded to the camp ground. Here the wagons were unloaded and then placed in regular formation in the northwest corner of the grounds, while the mules were tied two on either side of the tongue of the wagon they had drawn. Then the officers' tents were erected and the "pup tents" for the troopers placed in rows. A shoeing shop was set up and the farrier at once got down to business, caring for the feet of all equines brought to him. A clipping outfit was set up also and work of that kind attended to expeditiously.

The horses are all bays and blacks. In the regular service each troop has all its mounts of a uniform color and is known by such, as the "black troop," the "bays," "sorrels," "grays" etc. At their entry of the city the troopers were in columns of twos, with here and there a man leading a comrade's horse, the usual rider being on ahead or in the rear with one of the supply outfits.

CALL OF SPRING

The La Crescenta car line did a heavier business last Sunday than has gone over its line in some time. It was doubtless the call of spring as the road passes through a beautiful country just at its loveliest now. Officials of the road say that five hundred strangers went into the valley on that day. Some went to Glendale Heights where great development is in progress and where a good many new homes are building. Others went to the La Crescenta Valley.

TEACHERS' COURSE

FINAL ENTERTAINMENT BY PROF. ANTHONY BLANKS OF U. S. C. ENJOYED

The final entertainment in the Teachers' Course was given Tuesday evening at the High School where an appreciative audience gathered to enjoy the "Dixie Man," otherwise known as Prof. Anthony F. Blanks of U. S. C. in his presentation of Southern Folklore. While the entertainment did not exactly fit the subject the audience was glad to surrender itself to the pleasure of his presentation of a scene from Merchant of Venice between Shylock, Antonio and Bassanio, in which he alternately personated the characters in manner and facial expression with wonderful success. It was followed by Alfred Noyes "The Highwayman," and then the third and most important section of his program, a lengthy story of an old colored man and mammy in a New Orleans setting by Ruth McInerny Stuart, who, he explained, had been his neighbor in the South and with whose work he is for that reason especially well acquainted. It was his best number, though the two first named were good.

The musical program which preceded the readings included: Two piano numbers by Miss Ruth Morton, a pupil in the Intermediate; two saxophone solos by Gerald Toll, with piano accompaniment, by Mrs. Dora Gibson, and several Southern songs by a section of the Girls' Glee Club of the Intermediate, led by Miss Sharpe, all the numbers winning hearty applause.

WEATHER FORECAST—Unsettled tonight and Thursday with probable showers.

GLENDALE, CALIFORNIA, WEDNESDAY, APRIL 14, 1920

NOW IS THE TIME FOR THE MUNICIPAL CO-OPERATION PLAN

A few weeks prior to the city election several of our citizens advocated the plan that everybody who is interested in the welfare of Glendale get behind the Board of Trustees for the coming year for the purpose of giving them substantial backing in all worthy projects. With this good resolution in view it has been suggested that all citizens who feel like endorsing this spirit of co-operation be present next Monday evening at the City Hall at the time the newly elected members are there to take the oath of office and extend to these trustees-elect a welcome and assure them that we are ready to back them in everything that is for the progress and up-building of our city.

Men and women who have been elected to serve the people can do better work if they know they have the endorsement of the citizens of the municipality. A word or two of appreciation is much better than a word of condemnation. The city of Glendale has reached that degree of population that she may be ranked as a real city and all customs and manners that are peculiar to the rubberneck village should be cast aside and all business of the city should be transacted in a business-like manner.

Mr. Citizen, consider it your duty to be present at the City Hall next Monday evening to meet and greet the three newly elected Trustees.

ARE THE CHURCHES WILLING TO FACE REALITY?

Astounding facts have been uncovered by the thorough scientific investigations of the Home and Foreign Survey departments in the Inter-church World Movement. After reckoning up its liabilities and assets the church may well decide that the latter overbalance the former. Mr. Diffendorfer, director of the Home Survey, says in his diagnosis of America's social and spiritual conditions:

"Not long ago a thousand representative workingmen were asked to vote for their preference among sixteen social agencies found in the average city—churches, labor unions, lodges, libraries, art galleries, forums and the like. Of the entire list the church received the lowest vote.

"While the whole country is adapting itself to city-made ideas, most churches in the city have not found out how to meet rapid neighborhood changes or the influx of foreign groups. As new people move in, the church usually moves out. We talk about the 'problems of the down-town church' when we ought to be attacking the down-town problems of the church.

The following statements made by Dr. Bible, director of the China section of the Foreign Survey, show that the Christian church has no need to sit down, like Alexander, and weep because there are no more worlds to conquer:

"For the people of Central Africa you might make a list of all that is good in our western civilization—the schools, churches and hospitals, the libraries, the homes and the rest—and underneath you could write, 'This is what the people of Africa need, nothing else.'

"People have heard of Korea as the land of the modern Pentecost. They know of the marvelous growth of the native church there. But what they do not know is that there are more non-Christians in Korea now than there ever were before—that even in the country where we are making the greatest gains, we are not beginning to keep pace with the population.

"As for China, itself, possibly the best occupied region in the entire republic, has eighty Chinese evangelists—most of them partially trained men—for a million and a half people. That is, it has one Chinese evangelist to each twenty thousand non-Christians.

"The Interchurch surveys are attempting to get at the facts. Sometimes they are suggesting remedies, but they are not attempting to apply these remedies. That is the part of the churches themselves. A doctor may diagnose a case and write a prescription; but in the end the following of directions, and the will to get well will depend upon the patient himself."

INTEREST

Here is what one man did. If you don't know him, you know some one just like him in your town:

Twenty years ago he owned the clothes he wore, and that was about all.

He saved $50 the first year; the next year, with a little better wages, $75.

One thing with another—a wife and family included—he has saved an average of $5 a week for twenty years.

What he saved in twenty years was about $5,000. What he has is twice $5,000—like the man in the parable.

His dollars working for him bring him now more than his yearly saving.

Saving is addition—a dollar and a dollar and a dollar. It comes easier as one goes along, but the increase is no faster next year than now.

ANNOUNCEMENTS

ADVERTISEMENTS

JOHNSON FOR PRESIDENT CLUB

Republicans of Glendale, men and women, who favor the nomination of Senator Hiram W. Johnson for President of the United States by the Republican National Convention to be held in Chicago next June, are requested to meet at High School auditorium in the City of Glendale, Wednesday, April 14th, at 8 o'clock p. m. for the purpose of organizing a Johnson for President Club.

PYSCHOPATHIC WORK

GLENDALE OSTEOPATHS HEAR ADDRESS BY JUDGE REEVE BEFORE COUNTY ASS'N.

Glendale representatives who attended the Los Angeles County Osteopathic Association which met at the headquarters of the City Club Tuesday evening, report a meeting of great interest. About sixty-five were present and before the session opened the audience was entertainingly led in community singing by Hugo Kirchoffer, so well known in this city.

Dr. Goodfellow, president of the association, occupied the chair and introduced the first speaker of the evening, Judge Reeve, who has had charge of Department 8 of the Superior Court in which psycopathic cases are heard. He has been in the work for five years and defective children to the number of eleven thousand, have passed through his hands. The judge reviewed the evolution that has been going on in the courts with regard to juvenile delinquents and sub-normal persons. He stated that not until 1877 did the law differentiate between adults and juveniles. He reminded his audience that in 1907 was passed the first mothers' pension law in this state which allowed widowed mothers $11 per month for each minor child. Such mothers under the amended law now receive $20 per month per child.

Another big step mentioned by the speaker was made when the law gave juvenile offenders a referee and private hearings. He stated that he now has 6000 wards. In the old days the courts were a clearing house for neighborhood rows. Every time a boy broke a win ow he was haled into court. But the judge has evidently been a real boy and his sympathy with the boy is still alive and active. He declared that every American boy should be allowed to break at least one window in the course of his life.

Among the statistics which impressed his audience was the statement that thirty-three and one-third per cent of all the children who pass through the hands of the court are defectives. He also stated that one per cent of all the children in the public schools are defectives. He has now on a waiting list five hundred defective children to be placed in homes. The county has two industrial schools for boys and one for girls. The first home which the judge was instrumental in establishing had but nine defective child inmates. Now provision is made for 250. While the first state appropriation was only $1500, last year when he asked for $16,000 he was given $17,000. In one of these public homes are forty epileptics.

Judge Reeve declared that the West is so far in advance of the East along these lines that officials of the East are coming here to study methods and equipment. The aim in all the instruction given, juvenile wards, he says, is first their moral responsibility to God and second their legal responsibility to the State.

The magnitude of handling the problem of the insane can be gathered from his statement that yesterday 27 insane persons passed through his court and that the number has sometimes run as high as 32 per day. When he finds that such persons are mentally ill the law permits him to send them to homes which have been established to meet such needs and the relatives of the patient, if they have any resources, must pay the cost, which amounts to about $300 per year.

Relative to the proposed penal industrial farm, the association passed the following resolution: "Whereas, the modern conception of the law breaker is that he is a sick man, be it resolved that the Los Angeles County Osteopathic Association at its regular monthly meeting does hereby indorse the movement."

Dr. E. M. Downing, of Pennsylvania, trustee of the A. T. Still Research Institute, who is now making the circuit of the thirty-two western clinics, was introduced and stated that he is greatly interested in what the West is doing. For the benefit of the practitioners present he demonstrated his famous rocking chair neck technique. This closed the program for the evening.

BUT SHE BROUGHT HIM

"Dorah," said the literary woman, "I wish you would go down to the library and bring me 'Flavius Josephus.'

The new girl left the room and hastened to execute the commission.

Presently a terrific noise was heard and Dorah pushed the door open with her foot a moment later, dragging in by the collar a reluctant Newfoundland dog.

"Here he is, Mrs. Dinnis," she said, "but ye ought not to have sint me f'r 'im. It's a man's job. The brute thried to bite me an' I had to fight 'im iv'ry fut o' the way."

MORSELS OF MERRIMENT

An old colored man was burning dead grass when a "wise guy" stopped and said, "You're foolish to do that, Uncle Eb; it will make the meadow as black as you are."

"Don't worry 'bout dat, sah," responded Uncle Eb. "Dat grass will grow out an' be as green as you is."—Boston Transcript.

"A successful man must study the faults of others."

"Well, I don't know that it will make a man successful, but it ought to be a delightful study."—Kansas City Journal.

ANNOUNCEMENT

The Glendale Sanitarium and Hospital take pleasure in announcing that their dining room is now conducted on the European plan and is open to the public, especially to those who appreciate a good, clean, wholesome, vegetarian diet at very moderate prices.

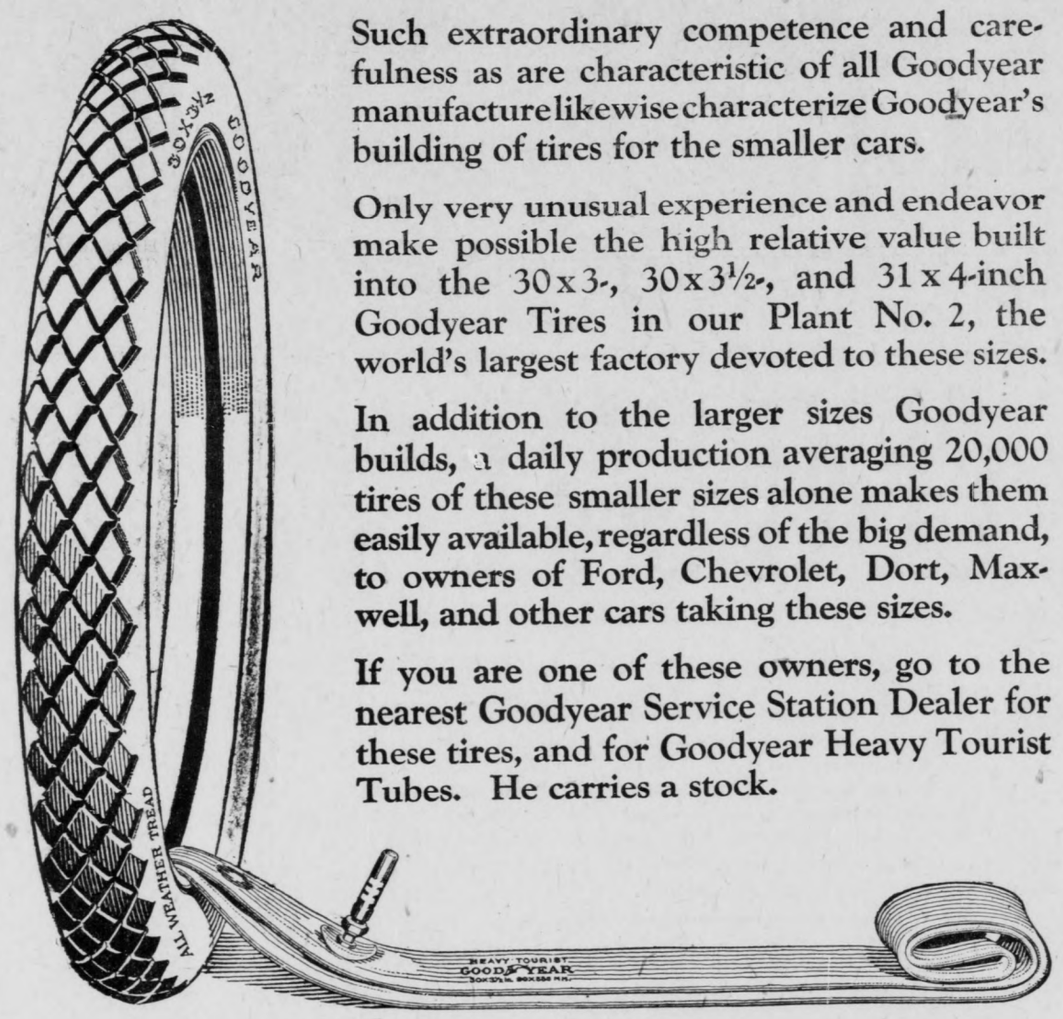
Dinner, 1:00 to 2:00 p. m.
Supper, 6:00 to 7:00 p. m.

Merit That Makes Mileage —In Tires for the Smaller Cars



Such extraordinary competence and carefulness as are characteristic of all Goodyear manufacture likewise characterize Goodyear's building of tires for the smaller cars.

Only very unusual experience and endeavor make possible the high relative value built into the 30x3-, 30x3½-, and 31x4-inch Goodyear Tires in our Plant No. 2, the world's largest factory devoted to these sizes.

In addition to the larger sizes Goodyear builds, a daily production averaging 20,000 tires of these smaller sizes alone makes them easily available, regardless of the big demand, to owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes.

If you are one of these owners, go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He carries a stock.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size *in waterproof bag* $4.50

INTERMEDIATE P. T. A.

ENJOYS MUSICAL PROGRAM AND ADDRESS BY MRS. DANIEL CAMPBELL

An unusually entertaining and profitable meeting of the Intermediate Parent-Teacher Association was held at the school Monday afternoon, the speaker of the day being Mrs. Daniel Campbell, who gave a fine talk on "Girls," using as texts the letters of the word, the initial letter standing for "glad girls" and "glad mothers," who, she thinks, are quite essential to the happiness of the world. "I," she made stand for independence of thought and action, "R" for reliability and religion. The life of any girl she feels is incomplete if religion is left out of it. "L" she made stand for love and loyalty. "S" she said should stand for "sample." Every girl, she declared, should strive to be a sample or standard of what a girl should be.

The musical program included a piano solo by Valera Trimmer, a vocal solo by Dorothy Young, violin solo by Thomas Wood, recitation by Lillian Dick, saxophone duet by Ruth Edmonds and Mary Sherrick.

Superintendent White reported progress on the new Broadway School building and referred to the fact that no addition to the Intermediate will be possible because of increased costs of material and labor until more money is voted.

The resignation of Mrs. George Whitaker as president of the association was tendered and reluctantly accepted, and Mrs. Harry V. Brown was elected to fill Mrs. Whitaker's unexpired term.

Advertise it, or advertise for it in the Evening News.

LA CRESCENTA WATER

MOVEMENT TO ORGANIZE NEW WATER COMPANY AND ACQUIRE PLANT OF OLD CO.

The water problem, which means an increased supply, seems likely to be worked out at La Crescenta by the formation of a new water company to be called the La Crescenta Mutual Water Company. The object of the company will be to raise a fund of $30,000 by the sale of water stock to sink a new well, lay new water pipe, and buy the equipment of the old company. That company is so involved legally and financially that the best way out appears to be to form the new company and take over the tangible assets of the old corporation at their appraised value. Harry Lynch of this city has been engaged as engineer and to make an appraisal of the plant and old pipe lines, etc. According to his report they are worth only a little more than $12,000 and the new company, it is said, will offer to buy it at that figure from the bondholders of the old company.

No permanent organization of the new company has been effected as yet, but R. M. Wollitz is the acting president and Merwyn Mills, secretary pro tem. These officials say the prosperity of the entire valley is being hindered for lack of a sufficient supply of water and that it is the conviction of all the property owners of the locality that water development will bring a big boom to La Crescenta. The stock subscriptions are being handled in escrow by the Bank of Glendale as trustee for the new company.

"I see they are making shingles out of cement now."

"Then I recall my wish to be a boy again."—Boston Transcript.

LEADERS CONFER

HEADS OF Y. M. C. A. GROUPS OF BOYS HOLD IMPORTANT MEETING

A conference of Glendale and Burbank group leaders in the Y. M. C. A. county work was held Sunday afternoon in the Christian Church with Prof. Harry L. Howe presiding. A 10-minutes devotional service was conducted by Mr. Adams of Mariposa street, after which H. G. Von Oven spoke on the subject, "How to Secure Help for the Group Work in the Sunday Schools." He advocated that first the co-operation of superintendents and pastors be secured then urge the organizing of all classes for the organized class will work with the organized groups.

J. Mac MacMillan was the next speaker and he told how he gets his boys to help him in the group work. It is by always stimulating team work and never setting just one boy to any task, he said, also by making familiar comrades of his boys and encouraging them to consult him frankly about their every day concerns.

W. D. McRae, stae field work, talked about "Fundamentals in Work Among Boys." He said to always notice the boy in the home, no matter how small he is, take an interest in his little affairs, show confidence in him and meet his real needs. Find the point of contact and then it is easy to get to the heart of a boy.

Mr. Williamson, Glendale District Secretary, then announced that it was time to form a Group Leaders' Club, and requested Chairman Howe to call for nominations for president and secretary. Geo. Tyrrell was nominated and elected president and Kenneth Crist, secretary. It was voted to hold meetings of the Leaders' Club on the second Sunday afternoon of each month.

J. P. Fansett of 510 Vine street, who has the Pacific Avenue School group, reported that his enrollment already far exceeds the average quota for a group and it was decided that a second group must be formed there soon.

"Have you any one in court who will vouch for your good character?" asked the magistrate of a man charged with a petty offence. "Yes, sir," said the defendant; "there is the head constable." The head constable was amazed. "Why, your Worship, I don't even know the man," he protested. "Now, sir," broke in the culprit, "I have lived in the town for twenty years, and if the head constable don't know me yet, isn't that a character for you?"—San Francisco Argonaut.

SPEED OF BIRDS

The speed of birds is often overrated. The swift, for instance, has been credited with a speed of 150 miles an hour, and the popular imagination compares the flight of a sparrowhawk with that of a cannon ball. The homing pigeon can be relied on under fairly easy conditions to make 60 miles an hour, or considerably more.

SATISFIED HIS CURIOSITY

An inquisitive young gentleman read this advertisement in a local paper: "Young man, some woman dearly loves you. Would you know who she is? Send postal order for ten shillings to Occult Diviner, address as below, and learn who she is." He sent the money and received this answer: "Your mother."

Advertise for it in the News.

ONE 1¢ CENT SALE!

Rexall Tooth Paste

A perfect dentrifice antiseptic and deodorant. Cleans and whitens the teeth. Comes out flat on the brush.

Standard Price One tube 25c — **This Sale** Two tubes 26c

ONE CENT SALE Next Friday and Saturday APRIL 16th and 17th 2 DAYS ONLY

A NOVEL WAY TO ADVERTISE

This sale was developed as an advertising plan by the United Drug Company, owned by 8000 druggists. Rather than spend large sums of money in other ways to convince you of the merit of their goods they are spending it on this sale permitting us to sell you a full-sized package of high standard merchandise for 1c. It costs money to get new customers and the loss taken on this sale will be well spent if the goods please you.

THE WAY WE DO IT

You buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold you for years.

No telephone orders received for items on this sale.

Be sure to attend this sale. Hundreds of other articles not mentioned in this ad. will be sold for 1c.

At the present time with prevailing prices and high cost of all household necessities, surely a sale like this should appeal to you. To the hundreds of people who took advantage of our last sale and to others who came in after the sale was over, would say, do not wait until the last day, and remember that it is for **Two Days Only.**

"SAVE MONEY ON MEAT"

CAMPAIGN ON TO TEACH PEOPLE ECONOMICAL SELECTION OF MEAT CUTS

A word to the wise as we are launching on the "Save Money on Meat Week," may not be amiss. This campaign is not for the purpose of depriving our citizens of their inalienable right to the best there is, or of emphasizing the difference between those who own comfortable bank accounts and limousines, and those who are existing on small salaries, but it is for the purpose of effecting a nation-wide readjustment of meat consumption to the end that the whole carcass may be consumed instead of only favorite cuts, as stated by the Department of Justice. The hitherto disproportionate demand for ribs and loins has resulted in waste of considerable portions of the animal raised by the farmer, tending to injure stockmen and discourage production. Neglect of nutritious and palatable forequarter meat has retarded distribution, causing greater shrinkage, overhead expenses, waste and diversion into chopped or ground form for wholesale buyers some meat which could be utilized by the consumer to better advantage in the form of carcass cuts. The forequarter includes chuck, brisket, clod, plate, the shank for soup and the neck for soup or mincing, all of which when properly cooked and seasoned by a resourceful housewife can be converted into fully as delicious and healthful dishes as the coveted porterhouse steaks and sirloin roasts which are now being sold at almost prohibitive prices. Retail dealers to the number of 50,000 have already joined in the movement, as it is to their advantage to do so. Co-operation between consumers, dealers and producers will result in benefit to all.

"ABRAHAM LINCOLN"

(Continued from Page 1)

quisite and her fellow members hastened to the platform at the conclusion of the performance to congratulate her. Her prelude was a series of bugle calls followed by a medley of national airs. Subsequent interludes were selected from Handel's "Largo," The Pilgrim's Chorus from "Parsifal," the "Priest's March" by Mendelssohn, "Maryland, My Maryland," "Old Kentucky Home," and more classical numbers less familiar.

At the beginning of each act and occasionally as a prelude to a scene was an "argument" of the action to come in verse of most delicate imagination and symbolism. The first of these epitomized the play in declaring: "You shall behold upon the stage the mould of a man's character" and that is exactly what the play depicts; "the mould of a man's character" and its influence upon his immediate associates and his country. It was a wonderful afternoon and Mrs. Dobinson left her audience feeling greatly indebted for a fine interpretation of a masterpiece.

Following the reading of the minutes by Mrs. Stamps when the meeting had been called to order by the president, Mrs. Tower, announcement was made of the annual convention of the California Federation of Women's Clubs to be held in Sacramento from the 11th to the 14th of May and ladies willing to go as delegates were requested to report to Mrs. Helen Campbell. The biennial convention of the National Federation was also announced with a request that willing delegates report to Mrs. Campbell. Other announcements followed including: A campaign for memberships in May under the chairmanship of Mrs. William Nash; a Shakespearean Tea to be given by the Shakespearean Section next week in Masonic Temple as a Club House benefit.

The appointment by the executive board of Mrs. Findlay as chairman and Mrs. Nash on the election committee was reported and nominations for three additional members of the committee from the floor, were called for. Mrs. Usilton, Mrs. A. M. Hunt and Mrs. A. A. Barton were then nominated and elected. By way of explanaation the president stated that under the by-laws of the club an official is not permitted to serve more than two years consecutively and under that law the terms of Mrs. Freeman Kelley as vice-president, Mrs. Findlay as corresponding secretary, and Mrs. John Robert White as treasurer were expiring and their places would have to be filled as well as that of Mrs. Nash as a member of the board.

Reports of reciprocity meetings were then requested and Mrs. W. E. Evans reported a meeting of the Ermendale Miscellany Club; Mrs. H. E. Bartlett the Twentieth Century Club of Sawtelle; Mrs. Findlay the Long Beach Ebell; Mrs. Cross the Van Nuys Women's Club. Announcements of section meetings were made by Mrs. Oscar Von Oven. Mrs. Jay B. Millard, chairman of programs of the Los Angeles Ebell, was a special guest.

LAUGH ON THE DOCTOR

An Illinois physician who had motored into an Ohio town found a porter standing back of the machine laughing.

"What's the joke?" inquired the owner.

"Nuthin', boss; but you're a doctor, ain't you?"

"Yes."

"I thought so when I saw that red cross on the front of your car. But if I owned the car I think I'd put that sign on the back.

The doctor walked around to the rear and looked at his license tag. It read: "46,000 Ill."—Rehoboth Sunday Herald.

Parson Johnson, says the Presbyterian, was very fond of using big words, whether he understood them or not. One Sabbath, Deacon Jones protested. "Why," said he, "about six times yo' said 'procrastination' in yo' sermon, and not one heah knows what it means." "Well, I suttinly is s'prised, Deacon, that not one heah knows what it means. Yo' all suah ought to know. Why, sah, procrastination am de fundamental doctrine ob de Presbyterian Church!"

REVIVING THE BRIDE

They were being married in a small country church that was heated with a stove. Everything went well until at the close of the ceremony the bride fainted. In the general excitement that followed the bridegroom lost his head. He grabbed the empty coal scuttle and rushed to the pump for some water. Then he came running in and dashed a scuttleful of black sooty water over his then reviving bride.

SLIGHTLY AMBIGUOUS

"I don't know whether to accept this testimonial or not," mused the hair restorer man.

"What's the matter with it?" demanded the advertising manager.

"Well," explained the boss, "the man writes: 'I used to have three bald spots on the top of my head, but since using one bottle of your hair restorer I have only one."—Stray Stories.

WISE CONCLUSION

"Going to buy yourself a car now? Why don't you wait until cars are cheaper?"

"Say, all my life I've been waiting for things to get cheaper and look what has happened to the price of everything. I've come to the conclusion that the time to get a thing is when you want it if you've got the money to pay for it."

AT HOME

The program at the Twentieth Century Club was on Joan of Arc, her tortures and imprisonment. A small boy had been allowed to accompany his mother and had seemed much interested in the program. On the way home he said. "Take me again, mother. I like that Penitentiary Club."—Cartoons Magazine.

SUPPLY WAS ONE SHORT

The twins, Harry and Henry, have always had toys exactly alike. The other morning as father came hurrying downstairs he met Harry, saying: "Oh, come upstairs and see your new brother." As Harry was looking at his new brother, Henry came in, crying: "Daddy, where is MY new brother?"

FIGHT IT THROUGH

In your work and in your play,
Fight it through!
Hang right on like yellow clay
Fight it through!
When a job you once begin,
Through the thick and through the thin,
Set your mind and heart to win!
Fight it through!

What if others may have failed,
Fight it through!
Though by powerful odds assailed,
Fight it through!
Refuse to be an "also-ran,"
Square your shoulders like a man,
Grit your teeth and say "I can!"
Fight it through!

Well, suppose things do look bad,
Fight it through!
Show a little pep, get mad!
Fight it through!
When you know you're in the right,
It's your duty, boy, to fight,
So go in with all your might!
Fight it through!
—The Cave Scout in March Boys' Life.

The missionary who was just beginning to understand Chinese stood listening to a group of the mission children as they talked together—some of them in English and some in the native dialect. Two tiny tots particularly interested her. They were talking rapidly and volubly, but the missionary could not understand one word of what they were saying. Finally she asked one of the older children:

"Are those children talking English or Chinese? I can't get anything they say."

"You wouldn't," the child explained, "but they understand each other. It isn't any language, but all the little bitsy ones talk it. They get it off God, and they keep it till they're three."—World Outlook.

DO IT NOW!

The doors of opportunity remain open for years, but they close with a bang, and they never reopen. We are responsible for the good we might do, and the world is poorer for your neglect, as no one can do our work. If there is something that needs doing, don't wait till tomorrow! Do it now!

Ralph E. Towle, of Pasadena, general manager of the travel department of the American Express Company, who is touring the Pacific coast, predicts this summer will be the greatest summer in the history of travel in the United States. Europeans, sick of war scenes and suffering, will flock to America where there is peace, plenty, prosperity and happiness, he said. "California will get its share of the visitors," Towle asserted. "By fall thousands will have arrived to enjoy the beauties of the Southland."

102-A EAST BROADWAY

It is to your interest to come and see my Spring and Summer offerings. I will SERVE and SAVE money for you and SURELY PLEASE YOU.

The Glendale police have been requested to look out for a runaway Burbank boy, Joe Horton, 12 years old, with dark hair, brown eyes and light complexion. He wore a cap, light-colored shirt, khaki pants and tan shoes.

Personals

Mrs. Ida Gilman is having a $300 addition built to her residence at 801 East Acacia avenue.

Mrs. Jennie M. Fultz is having built at 1430 South Glendale avenue a garage for a temporary residence.

Wm. Chappell and wife recently returned from a week's visit in San Diego and expect to start for Holden, Mo., next Tuesday.

Mr. Miller, step-father of Hearn Robinson, is so seriously ill that the members of his family are quite concerned about his condition.

Mrs. Joseph Griffin of West Acacia has entertained within the week Mrs. George Reeves and her two sons, Billy and Jack, of Van Nuys, who spent the day with her.

Dr. and Mrs. C. L. Marlenee of 301 South Central avenue, had the pleasure of entertaining at dinner Dr. R. G. Raleigh of Ocean Park a few days ago.

Miss Susan Renzler, a former resident of Glendale, has sold her property at 136 West Garfield street to M. P. Harrison, who will take possession of it as soon as the tenant now occupying it vacates.

T. A. Williams, who came here from Albuquerque, N. M., a few days ago to visit his sister, Mrs. Elliott, of 127 South Kenwood, is so pleased with Glendale that he has determined to make his home here.

Major P. S. Kellogg of 614 North Louise was a guest today at the officers' mess at the 11th Cavalry camp on Harvard. The major was formerly surgeon at the Presidio in Monterey, where these troopers are to take their station again.

Mrs. Ella Richardson and her daughter and house guest, Mrs. Shives Mitchell, entertained a few friends informally at the Richardson home on Central and Riverdale Drive Tuesday afternoon. Music, conversation and needlework occupied the ladies.

Mrs. J. H. Ireland, of 211 West Milford street, was pleasantly surprised, Friday evening last, by the arrival of her grandson, Sherman Ireland, brother of Miss Hope Ireland, from Utica, N. Y., Mrs. Ireland's old home. Mr. Ireland plans to make his home permanently in Glendale.

A stripped Ford was found by the side of Verdugo Road not far from Montrose Monday. It bore a license number recorded as belonging to H. S. Parker of Highland Park, but he, when visited by Chief Lambert, said that number did not belong to him. This changing of numbers is supposed to be a device of auto thieves to baffle detectives.

C. A. Lessard, of 607 Orange Grove avenue, who has built several houses on Cedar and Dayton Court and now has two in process of erection on the site of the old M. E. church building, has just taken out a permit for the erection of a 6-room residence at 801 East Wilson avenue, just across the street from the two last named. It is to cost $4000.

Mr. and Mrs. Norton C. Wells of 1909 Vassar street have returned from a two months' stay in the north in which they divided their time between San Francisco, San Jose, Auburn and other interesting places. Mr. Wells is greatly impressed by the business prosperity of the bay cities and their financial solidity but his heart has not been weaned from the South nor is he willing to put Los Angeles in second place.

Mrs. H. Ryan, Mrs. C. Wykoff and Miss H. Bagg entertained Monday evening for C. P. Bagg and family who have been spending the winter in California and who are soon to return to their Iowa home. K. Hollingsworth and family who are about to move to Fullerton were also guests of honor. About thirty-five guests, most of whom came from Des Moines, spent a very pleasant evening together, Miss Harriett Bagg, who was one of the guests, entertaining with readings.

In the general observance of "Kindness to Animals Week," April 12th to 19th, the mothers of Glendale are being urged to devote themselves to impressing upon the growing minds of their children the vast importance of this great cause, not only for the sake of our faithful dumb friends, but for the sake of the children themselves, yes, and for the sake of the mothers, for a child who keeps his heart tender toward the dumb and helpless, has a good start in the right direction, and is far less likely in later life to be the cause of a mother's tears.

Mrs. Mackey, house guest of Mrs. George Mitchell of North Glendale was guest of honor at an informal party made up last Friday to attend the Friday Morning Club in Los Angeles, where a fine program was given by Vachel Lindsey, the poet and humorist, who was to address a paid assembly of High School students today. Following the club session the ladies had lunch together at the Mary Louise Tea Room, the party including Mrs. Daniel Campbell, Mrs. George Mitchell, Mrs. Shives Mitchell, Mrs. Mackey and Mrs. Ella Richardson.

DO YOU REALIZE

—that it is now possible to get automobile insurance at a rate that is 16% to 55% less expensive than any other operating in this district?

That you can acquire Insurance at a rate that is below the rate charged by the Auto Club of Southern California?

Before you insure your new car or re-insure your old car, get our rates. We give the most liberal policy, best service, same competent protection.

Banks accept our policies as their protection when you buy your car on terms.

We have three special full coverage rates on Fords, Chevrolets, and Ford Deliveries.

Glendale's conservative residents and business men are insuring with our company daily.

You cannot afford to be without protection. Investigate—get in line.

Evangelist Clayton C. Root of Van Nuys, who preached at the revival meetings which closed at the Christian Church Sunday night, is in Glendale this afternoon to attend a reception in the church tonight to the new members who came in during the meetings.

J. B. Eberlein and wife, who came out to California from London, Ky., a few weeks ago and located in Los Angeles because they could find no place in Glendale, were out to spend Sunday and Monday with R. M. Jackson and wife. Mrs. Eberlein is Mr. Jackson's sister. They have definitely decided to make their home in California and hope to find a suitable place in Glendale.

Word has come from Mrs. J. H. Jackson of 332 N. Orange, who was suddenly called from Danville, Ky., to Chicago by news of the serious illness of her daughter-in-law, Mrs. Morris Jackson, that she has returned to Danville, Ky., the daughter-in-law having recovered. Mrs. Jackson expects to return home after a few weeks' further visit in Danville with her daughter, Mrs. A. M. Feland, Jr.

THE HELPING HAND

Glendale is soon to have an opportunity to get better acquainted with Judge Sidney Reeve of the Superior Court, Department 8. Those who know him and his work declare that he has done more to restore to normal life and ways the boys and girls who have made mistakes, than almost any other judge in the United States. He believes that in the majority of instances if given an opportunity and a helping hand, these young people will make good and become valuable citizens. It is his policy to keep them out of institutions which will stamp them as offenders, as long as possible. The Juvenile Court, of which he is the head, has become celebrated throughout the country. The judge will be heard Friday night at the High School on "Reconstruction Among the Young." He comes on the invitation of the Glendale Ministerial Association and the Federation of Parent-Teacher Associations.

SOLICIT YOUR CO-OPERATION

April 13, 1920.

To the Citizens of Glendale:

I desire to thank my friends for the loyal support they gave me at the recent election of the City Trustees. The result was most gratifying, especially so inasmuch as the voters experienced such difficulty in locating the polling places of their respective precincts.

I trust that I may prove worthy of the confidence you have placed in me and assure you that every citizen of our city will be given respectful hearing on any proposition he may desire to submit to me, and I ask your co-operation in all things for the betterment of a larger, more progressive and more united Glendale.

Respectfully,
DWIGHT W. STEPHENSON.

NEW PATRIOTIC ORDER

LOCAL DAUGHTERS OF VETERANS ORGANIZE AS "MARY GILLETTE TENT NO. 18"

The newly-organized Daughters of Veterans met Tuesday evening at G. A. R. Hall at 8 o'clock. They are to be known as the "Mary Gillette Tent No. 18" and have been named in memory of Mary Gillette who was a charter member of the W. R. C. of N. P. Banks Post, now deceased, her husband, Tom Gillette, now being Color Bearer of the Post.

Practice in the work of the order and four initiations (which brought the membership up to 27), occupied the greater part of the session. Several visiting members from Los Angeles were present, the delegation including Commander Hayden of the Sons of Veterans, who made a fine address. Several applications for membership were reported as pending and there was every promise of a strong organization.

N. P. Banks Post had voted to donate to the Mary Gillette Tent five silk flags for use in the Tent's exercises, but this was found to be unnecessary, the Fullerton and Long Beach Tents having each presented the organization with a flag, leaving but three to be bestowed by N. P. Banks. The Tent was also presented with a ballot box by Helen Jean Cristie of Los Angeles.

A decision was reached to hold the meetings of the Tent on the 2d and 4th Tuesday evenings of the month at 8 o'clock in G. A. R. Hall.

Officers have been elected as follows:

President, Cora Jones.
Sr. Vice-Pres., Charlotte McKee.
Jr. Vice-Pres., Alma Hilliard.
Patriotic Instructor, Winona Crawford.
Secretary, Hattie Tiffany.
Treasurer, Mrs. Hull.
Chaplain, Susie Peck.
Guide, Alma Dutton.
Guard, Elizabeth Rapp.
Asst. Guard, Stella Spear.
Press Correspondent, Gertrude Griffin.
Musician, Jessie Dutton.

Color Bearers: (1) Amy Miller (2) Daphne Lyon (3) Audrey Hall (4) Mildred McKee.

Counsel: May Burlingame, Mrs. Fuller, Audrey Hall.

Delegates to the Department Encampment at Santa Barbara have been selected as follows: Susie Peck and Winona Crawford; alternates, Alma Dutton and Alma Hilliard.

TRACK MEET

CENTRAL AVENUE WINS IN SCORE OF 53 TO 33 OVER COLUMBUS AVE.

The track meet between boys of Central avenue and West Glendale (Columbus Avenue) Schools, which was pulled off yesterday afternoon, was a sensational event to the boys participating and the absorbed audience which witnessed the events. It ended in a score of 53 to 33 in favor of Central avenue.

The stars of the meet were Gerald Dell of Central avenue and Allan Lovell of Columbus, who won the most points for their respective schools. Individual scores in the events were:

Forty-yard dash, Allan Lovell (Columbus), 1st; Gerald Dell (Central), 2d; Russell Lavelle, 3d.

Sixty-yard dash, Dell (Cen.) 1st; Lovell (Colub.) 2d; Lavelle (Cen.) 3d.

Running Broad Jump—Dell (Cen.) 12 ft., 9 in., 1st; John Franklin (Colum.) 2d; Lovell (Colum.) 3d.

Standing Broad Jump—Dell (6 ft. 11 in.) 1st; Russell Thompson (Colum.) 2d; Charles Pratt (Colum.) 3d.

Hop, Skip and Jump—Dell (Cen.) (26 ft. 9 in.) 1st; Russell Thompson (Colum.) 2d; Lovell (Colum.) 3d.

Fungo Hitting—Lovell, 1st; Lavelle, 2d; Dell, 3d.

Indoor Baseball Throw—Lavelle, 1st; Dell, 2d; Lovell, 3d.

Running High Jump—R. Thompson (4 ft. 1 in.) 1st; Dell, 2d; Lovell and Wayne Yarrick tied for third place.

Foul Throw—Lavelle, 1st; Donald Dewey (Cen.) 2d; Lovell, 3d.

The 8-men relay race was won by Central avenue, the members of the team being: R. Lavelle, Richard Lusk, Carlisle Whaley, Gerald Dell, Donald Dewey, Jack Olympius, Carroll Toll and John Winger.

The Columbus team was: Graham Young, John Klann, Donald Morrow, Gordon Colbert, John Baker, Allan Lovell, Tom Muff, John Franklin.

Officers of the meet were first-class Boy Scouts trying to earn their merit badges in athletics, one of the requirements being that they must plan a track meet and act as officers in one. The Scouts were: Robert and Leslie Hatch and Richardson Jones. The handling of the meet was excellent and all earned their badges so far as this requirement was concerned.

Both of these schools now stand an excellent chance of winning the city championship for track meet.

DEEP CREEK CUT-OFF INTO BEAR VALLEY

Of interest to Glendale motorists contemplating trips to Big and Little Bear Lakes this season is the statement the San Bernardino county citizens are so anxious to hasten the construction of the Deep Creek cut-off into the Bear Valley that they have submitted to the state highway commission a proposition to guarantee the sale of $100,000 worth of state highway bonds to permit the work to proceed.

LOCAL EFFECTS OF SWITCHMEN'S STRIKE

The switchmen's strike is making itself felt in Glendale in the way of holding up shipments by express and freight to a distance and the receipt of the same. Passenger traffic is hampered also and it is not possible for all wishing to travel to obtain tickets. No noticeable shortage in food supplies has resulted yet because retailers are able to obtain their shipments from the city by auto truck, as usual, but the stocks of wholesalers are being depleted very fast and cannot be replenished as long as the freight embargo is in effect.

Worry Is Waste of Energy

You may fit your household laundry with all of the most modern labor-saving equipment, but wash day rolls around with the usual amount of soiled clothing just the same, and the disagreeable duty must be done. The clothes won't wash and iron themselves. As long as the washing is done in the home a certain amount of care and supervision is necessary and this of course falls upon the woman of the house. The worry of wash-day remains although the work may be lightened.

Eliminate the worry of washday by sending your family washing to us.

Glendale Laundry

Glendale 1630

CIVIL SERVICE EXAMINATIONS

The Official Bulletin of Los Angeles County Civil Service Commission announces the following examinations to be held at the office of the Commission, Room 1007, Hall of Records, Los Angeles, on April 26, 1920: Electrician, first class, salary $6.40 per day; electrician, second class, salary $5.00 per day; painter, salary $6.00 per day; laboratory assistant, chemical, salary $100 per month; chief resident medical physician, Los Angeles County Hospital, salary, including full maintenance, $250 per month, with advances; deputy superintendent of charities, salary $250 per month; chief clerk, County Hospital division, Department of Charities, salary $175 per month; steward, County Farm division, Department of Charities, salary $175 per month.

TEXANS TO CELEBRATE ANNIVERSARY OF BATTLE OF SAN JACINTO

Out of the smoke of the battle of San Jacinto, eighty-four years ago, arose the Lone Star of the Republic of Texas. The day of that battle has an abiding place in the hearts of all Texans. Its anniversary will be celebrated here by a picnic reunion in Sycamore Grove Park, all day, Saturday, April 24, 1920. All Texans and former Texans are invited, and all are asked to pass the word to others. Each one will bring basket dinner, cup and spoon, but hot coffee will be provided. There will be county registers so friends may find each other. The program of speeches, songs and music will open at two-thirty o'clock. Many Texans will be present from all parts of our Southland. Our state presidential candidates have been invited. Now let us all pull together for the greatest reunion of Texans ever seen out of the home state.

MINOR MOORE,
President the Texas State Society.

AN INCAPABLE GROWN-UP

I was hurrying home up the hill when a little boy came rushing down in such haste that he ran headlong into me. He was quite breathless and flushed. "Have you seen my pa?" he managed to stammer. "I don't know your pa, little boy," said I. He looked at me in round-eyed wonder and his pink cheeks fairly stuck out. "You don't know my pa?" he said incredulously. "Why, I know pa just as easy!"—New York Evening Post.

GOVERNMENT ACTION

PRESIDENT WILSON AND CABINET DISCUSS RAILROAD STRIKE SITUATION

(Special to Glendale Evening News)

The government's course of action to halt the "Outlaw" railroad strike was discussed at a meeting of President Wilson and his cabinet today.

Attorney General Palmer, it was learned, authoritatively, reported that the department of justice had evidence that the communist party was behind the strike and steps to deal with this influence were authorized. Arrests may be made before the end of the day.

The President, soon after the meeting, issued a hurry up call to members of the Railroad Wage Board to come to Washington and be ready to function. In his telegram the President stated: "It is believed the Senate will confirm the nominations today." The Senate, however, after an hour's debate, failed to confirm any of the nominations, and action went over until tomorrow.

SOVIET AMBASSADOR

CASE OF LUDWIG MARTENS, SOVIET REPRESENTATIVE, SAID TO NEED INVESTIGATION

(Special to Glendale Evening News)

WASHINGTON, April 14.—The case of Ludwig Martens, soviet representative to the United States, is more suitable for investigation and action by the Department of Justice than by the Senate, Chairman Moses of the Senate sub-committee investigating Russian propaganda, reported today. The Moses report was made to the Senate Foreign Relations Committee. It was not signed by any other member of the sub-committee which included Senators Borah of Idaho, Brandegee of Connecticut, Republicans, and Pittman of Nevada and Shields of Tennessee, Democrats.

SOLDIER BONUS

CONGRESS WILL ENDEAVOR TO PASS IT BEFORE PRESIDENTIAL CONVENTIONS

(Special to Glendale Evening News)

WASHINGTON, April 14.—Action on the soldier bonus bill is to be rushed in Congress in the hope of passing it by June 1st before members leave for political conventions, Republican leaders in the Senate and House agreed today.

Senator Lodge sent word to Representative Fordney of Michigan, chairman of the Ways and Means Committee, that if the bill is passed by the House by about May 1st, it probably can be passed by the Senate within that month. As a result Fordney plans to rush through the House the bonus program that has been approved by the sub-committee of the Ways and Means Committee. This calls for a cash bonus of $1 for each day's service to about three million service men.

REVOLUTION IN GUATEMALA

(Special to Glendale Evening News)

WASHINGTON, April 14.—An armistice has been concluded between the unionist forces controlling the City of Guatemala and President Cabrera and the revolutionists have proposed that Cabrera leave the country, the State Department was advised today.

COME TO THINK OF IT, IT IS

"It's better," said Uncle Eben, "to go up like a skyrocket an' come down like a stick dan to be jes' plain stick all de time."

WORTH TRYING

A few more smiles of silent sympathy, a few more tender words, a little more restraint on temper, may make all the difference in our lives. —Stopford Brooke.

LEFT OUT, SOMEHOW

Margaret likes Cecil's puppies and always refers to them as her father does, as a "litter of puppies." A day or two ago another playmate called her in to see twin baby sisters. Margaret was thoughtful for a moment at the dinner table that day, and then, turning reproachfully to her mother, said: "We never have a litter of anything at our house."

LAWYER TOO ELOQUENT

His client was being sued for divorce by her husband and the attorney was trying to get her as much alimony as possible. Right in the middle of the flow of eloquence the attorney was interrupted by the husband, who said to the court:

"Your honor, I have suddenly decided to withdraw my suit, and if my wife is willing, I would like to have her come back to me."

Pressed for explanation he said: "Mr. Blackstone has presented her in such an attractive light that I've fallen in love with her all over again."—Pittsburgh Chronicle Telegram.

SINN FEIN PRISONERS

(Special Service to Glendale Evening News)

LONDON, April 14.—The Irish office has issued sudden orders relating to the Sinn Feiners held at Mount Joy prison regarding concessions in the nature of "ameliorative treatment," Andrew Bonar Law, government spokesman, told the House of Commons today.
